This year the GC has embarked on many initiatives to move the Club forward. There is now a need for continuity: to deliver the Silom Wing as the first stage in redeveloping the poolside as a modern family/ sports hub; to develop a complementary classic vision for the Clubhouse; and to carry forward many plans in place to improve management and operations, priorities being the restructuring senior management and developing a membership marketing strategy.

The involvement of more Members through sub-committees has brought new energy and creativity to many aspects of Club life and should continue. We have a wonderful Club but it can be better. By building on the many seeds sown this year 2017/18 can be an exciting year for the British Club and it would be my pleasure to help make that happen.
