7. Candidate Statement

The first duty of the next General Committee will, of course, be the open and transparent governance and delivery of the Silom Wing so as not to repeat the massive overspend and quality failure which was our last major redevelopment project.

However for our Club to continue to be successful the Silom Wing must not be the sole focus of the next General Committee: we need to drive for active membership, rekindle our links with the diplomatic, expat and business communities, encourage more club usage through F&B and events & functions, motivate our loyal, long-serving staff, create a 21st century constitution and, finally, deliver quality services and facilities for the whole range of our membership.

Thus the next General Committee needs to be made up of members who can contribute to all but specialise in part and, most importantly, have the time to deliver entirely.
