I have been a member of the British Club since 2005 and served on the 2007/08 General Committee as Vice Chairman and the 2016/2017 General Committee again as Vice Chairman. I also chair the Poolside Redevelopment Sub-committee.

I spend my weekends at the poolside with with my wife, Andrea and two children Nura and Omar who have grown up at the Club. I enjoy socialising, wine-tasting and watching sports especially Formula 1 and football at the club.

7. Candidate Statement

As a general committee member the last year, I have made many contributions to making a difference and bringing about some much needed change to the way the club is run. These contributions included moving forward the Poolside Redevelopment which resulted in the membership agreeing to proceed with the construction of the Silom Wing. I have also been helping and contributing to the important work of the Membership and HR sub-committees.

There is still a lot to do over the next year and I wish to continue to serve the membership. If re-elected, I specifically plan to pursue the following activities:

- Complete the Silom Wing construction and to ensure that the GC is in the best position to recommend further construction of the Poolside Building and Surawongse Sala
- Assist and support as required the important work being carried out by two key sub-committees, HR and Membership

Thank you for your support.
